

February 2, 2009

Dear Milan Business Owner,

The annual Discover Milan Day will be on May 2, 2009. In past years this event was put on by the DDA and The City of Milan. Due to budget cuts neither of these organizations will be able to put on this years event.

This year the community of Milan is coming together to make sure that this annual event continues. There are currently several volunteers working to plan the day and we need your input. Since this years event is being coordinated by volunteers we are asking businesses, groups and individuals to notify us if they will be doing anything special that day or would like to be involved in any way. We are hoping to continue with many of the events that we have had in past years. This annual event brings thousands of people into downtown Milan and is a great way for you to showcase your business.

If you are interested in participating you may contact Christine Mann at 734-439-2904 or e-mail DiscoverMilanDay@rapidware.com.
